National Level Webinar on Best Practice of Clinical and Community Pharmacist for Better Patient Care

23rd August 2020

Theme: Developments in Clinical and community Pharmacy services to Meet Emerging Challenges

About Webinar :

It is a great pleasure and honour to invite and warmly welcome you all to the National level Webinar on Best Practice of Clinical and Community Pharmacist for Better Patient Care organized by Ashokrao Mane College of Pharmacy, Peth-vadgaon.

Hospital pharmacy services provide medicines, information, and advice to inpatients and outpatients as well as to the health professionals and others giving health care to the patients. Clinical Pharmacy Specialists provide care to patients that have established care at the Hospitals & Clinics. These pharmacists work with other members of the health care team to promote optimal patient outcomes.

In light of this theme, this webinar aims to provide a forum for national pharmacy professionals from various areas of clinical pharmacy, hospital pharmacy, and Community pharmacy by providing a platform for share the latest developments in all aspects of Pharmacy.

Conference Highlights:

- Roles and responsibilities of Pharmacist
- Pharmacists Role in Patient Safety
- Clinical Pharmacy and Its Key Role in Treatment
- Dispensing services in Pharmacy
- Roles and services of Hospital Pharmacist
- How to apply for community pharmacy license

Who can attend:

Pharmacy students, community, hospital and clinical pharmacy professionals willing to apply new knowledge to the development of pharmacy services.

Note : All the communication will be through Whatsapp group. All the participants will be provided E-Certificate in their registered e mail upon attending and submitting feedback form
