College:
Santkrupa College of Pharmacy, Ghogzon, is located at Karad- Ratnagiri Highway at a distance of about 22 km Karad.

Santkrupa College of Pharmacy, Ghogzon, was established in 2004 with the start of B. Pharm course (2006); D. Pharm (2006); followed by M. Pharm (2011). The college is recognized by Shivaji University, Kolhapur as a Research Centre too. The institution is affiliated to Shivaji University, Kolhapur. The UG and PG courses are regulated by Pharmacy Council of India; All India Council of Technical Education (AICTE) and Directorate of Technical Education (DTE), Maharashtra.

Technology and Biopharmaceuticals: A Primer
With the combination of DNAs of two organisms genetic technology began. This spurred interest in the field and research by Genetech led to the release of Insulin in market in 1982. The global biologics market is growing rapidly and is expected to grow at a rate of 10.5% in 2023. Novartis and Bristol-Myers Squibb have already invested around 700 and 900 million dollars respectively in manufacturing.

Due to the prevalence of chronic diseases, loss of patent expiry, growing demand and higher acceptability for regenerative therapies are driving the growth. Popularity of biologics has especially increased for chronic diseases like Crohn's disease, Psoriasis and other auto-immune disorders and touched sales target of 18.5 billion dollars in 2022. Six of the top eight drugs were biological in that year. Biotech is projected to earn \$ 377 million in US and European markets in 2021-22. Other fields like oncology, rare diseases, fibrous diseases, cell therapy, gene therapy also offer opportunities.

Indian biotech industry holds about 3 % share of the global biotech industry and is among the top 12 global biotech destinations. The Indian biotech industry, comprising of about 800 companies, was valued at US \$ 51 billion in 2018. It is expected to grow at 14.5% in future. Recognizing the opportunity, Indian government is nurturing the growth of the industry through huge grants research and start ups. It is up to us to utilize the opportunity and get benefited. Here is an opportunity, come explore more.

Schedule of Events

Day & Date	Time	Session
THURSDAY, 11 / 02 / 2020	9.30 - 10.00 am	Registration and Refreshments
	10.00 - 10.30 am	Inauguration

24th Girl Child Day
Think a word without...
SAVE Girl Child

Save the Girl Child

Topic: The Role of active participation of Men, Women, Government and Society who is very much familiar to us. For social issues, the campaign got underway over the past few years. Now the campaign is run at national level through the department of sociology.

City of Kolhapur:
Kolhapur City is situated on Mumbai-Bangalore Highway, 270 km away from Mumbai and 600 km away from Bangalore. Kolhapur City is well connected with road and railways.

Who should attend the Conference?
Academics, Researchers, Professionals, Practitioners, Policy Makers, Consultants and Students

Special Note:
At every step of a girl child's journey, she is challenged and hindered from progressing forward. Even before she is born, the girl child comes face to face with a challenge that she cannot fight-her parents' decision to abort her. In a legal sex-selective abortion. As she continues through life, she faces rejection, discrimination and fear if she expresses ambition. Even before they turn 10, girls face difficult challenges like forced marriage, child labour and female genital mutilation. The majority of students who drop-out of school before completing primary education (UNESCO 2012 data) are girl children. To address this, it is important to acknowledge these challenges in detail. This will enable society to identify measures to make the girl children of today, into tomorrow's successful and healthy women.

The government has also meant schemes to ensure their security and well-being. These address female foeticide and female education (under 'Ladli', 'Laxmi' and 'Kishan Shakti' Yojana Schemes), maternal health (under the 'Kanyashulkam' Yojana), and medical care (Ayushman Bharat), among others. To empower the girl child, India as well as Maharashtra will need to change the mindsets of policymakers, family members, teachers, and others.

On a global backdrop, the proposed seminar intends to know the various issues related to child in Maharashtra. It will also focus on the policies and programmes of the Government to ensure status of girl child.

Submission Themes:

1. Girl Child and Abuse
2. Girl Child and Education
3. Girl Child and Health
4. Child Labour
5. Female Foeticide: Causes and Impact
6. Betel Nut and Betel Panna Policy in Maharashtra
7. Any other issues related to theme

Instructions for Submitting Abstracts:
On the behalf of organizing committee, we request you to contribute your paper in any of the themes and participate in the seminar.

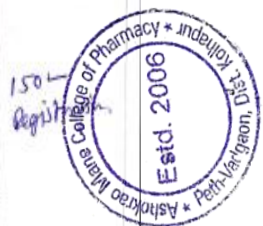

1. Only one abstract should be submitted by one participant.
2. The abstract should include introduction, Methodology, Conclusion, including title, author's ID, introduction, if any acknowledgement with maximum 500 words. Type the title in upper case letters, names of the authors and their address.
3. Abstract and full papers should be accepted in both English and Marathi language.
4. The authors should prepare the abstract paper in MS-Word Format. The guidelines for full paper submission are as: Font Size- Times New Roman and 12 point, Line Spacing - 1.5 in MS Word paper, Margins - 1 inch all the sides, Paper Length - Maximum 10 pages for Marathi and English both, Font Size 10.

Registration Fee:

1. There is no registration fee for paper presenters
2. Teachers Participants without paper presentation-100/-
3. Students without paper presentation-50/-

Registrations will take place one hour before the inaugural session of seminar in the Department of Sociology, Shivaji University, Kolhapur on the first day of Seminar at 9.00 a.m. (04/02/2020).
TA/DA and Accommodation

Accommodation: A 200/- arranged at the university guest house and student hostels to meet out-station participants. kindly inform your travel plan so that accommodation can be arranged accordingly. No TA/DA shall be paid paper presenters and participants including outstation participants.

your research abstract accepted for poster presentation

International Conference on Advances in Chemical Sciences Dept. of Chemistry, Shivaji University, Kolhapur, Feb 1-3, 2018 at
University <icacs2018@unishivaji.ac.in> Sat, Jan 13, 2018 at 12:04 PM
To: auarvindkar@gmail.com

Dear Dr. Arvindkar Aditya U

I am pleased to inform you that your research abstract entitled "In silico exploration and biological validation of leads targeting α -glucosidase inhibition in Type-II Diabetes mellitus" has been accepted for poster presentation in the International Conference on Advances in Chemical Sciences 2018 (IC-ACS 2018) to be held on February 1-3, 2018 at Department of Chemistry, Shivaji University, Kolhapur 416004.

You are requested to make online registration and pay the registration fees using following link available on Shivaji University website on or before January 25, 2018 (Please note: If the abstract contains multiple authors and if all of them are participating then each of them should make registration separately):

<http://www.unishivaji.ac.in:8080/pages/International-Conference-on-Advances-in-Chemical-Sciences>

Please consider the following points:

1. You have to generate User name and password just by putting a unique name and password (Please remember password carefully as there is no facility to regenerate password if it is forgotten).
2. You can access online registration form after logging in with user name and password.
3. Please fill the form carefully and try to provide maximum information in the form.
4. You have to upload your photo (jpg, jpeg, bmp format with size less than 20 kb) in registration form.
5. You can skip CRE (Certificate regarding exemption) during registration.

Due to some technical reasons, if you are unable to pay the registration fees, then you can pay the registration fee through demand draft in favor of 'Finance and Account Officer', Shivaji University, Kolhapur, payable at Kolhapur. However, we encourage you to pay the fee online. Please send the DD by registered post to Prof. Anil Vithal Ghule, Convener-IC-ACS 2018, Department of Chemistry, Shivaji University Kolhapur-416004 (Maharashtra).

Note:

1. Details about the scientific program will be communicated to your e-mail by January 25, 2018.
2. Please confirm your participation by paying registration fees on or before January 10, 2018.
