Institutional Innovation and Incubation Cell

Introduction:

As per the initiative of Government of India and directives of the Ministry of Human Resource Development, MHRD's Innovation Cell (MIC) to systematically foster the culture of Innovation and Incubation amongst all Higher Education Institutions (HEIs) and to promote the innovation in research and entrepreneurial skills among the students.

So, Ashokrao Mane College of Pharmacy, Peth- Vadgaon, established the Institutional Innovation and Incubation Cell (IIC) in June 2021- 2022.

■ **Mission:**

- Giving opportunity to prospective students to bring out innovative ideas through brainstorming.
- Exploring innovative and creative thoughts, ideas, or concepts from students, research scholars, faculty members from various domains of society as well as industry.
- To develop and provide a platform for the creative aspirants, where their innovative ideas and concepts will be incubated and realized.
- To incubate, culture, and refine the ideas or concepts with a support from technical as well as creative experts of the concerned fields.
- Creating awareness among students and other sections of society regarding various aspects of entrepreneurship like new business prospects, government schemes for entrepreneurs, essentials for framing business plan and developing start-up etc.
- Nurturing the idea and giving it a shape of a sustainable venture i.e. assisting from the stage of project identification to project implementation.
- Providing mentoring in all areas like operations, technical, finance, marketing, economics etc.

Major Focus of Institution Innovation and Incubation Cell:

1. It shall help students, research scholars and faculty members to execute the ideas into products, processes or services for the benefits of society as well as industry.
2. It promotes innovative and executable ideas from various disciplines of life science and pharmacy.
3. It is working on igniting the ideology of starting own ventures amongst youth. The youth of today needs to be more inclined towards creating jobs rather than getting one.
4. It would be to assist the youth to become self-employed and create employment opportunities, this cell comes forward to provide support in every possible manner.
5. Therefore, for this purpose a full-fledged AMCP Institutional Innovative and Incubation Cell has been setup which will work as a catalyst for student development within the college and university level and also for other aspiring youth.
6. It shall develop better Cognitive Ability for Research Technology Students.
