Respected Sir,

All the colleges and schools in Maharashtra have been closed due to the spread of the Corona virus which is going on at present. In such a situation, all the government offices in the state have been kept open and currently Social Justice and Special Assistance Department, Kolhapur is currently functioning. However, since this office has constant public relations, the employees of this office need to be careful. In such a situation, we are grateful to you for distributing the sanitizers manufactured by your college in our office.
