Institutional Distinctiveness

Objective of our college is catering to the educational needs of underprivileged student and widening educational opportunities. The college is serving to cater the needs of students from all parts of India. In the circumstantial background of the association, the college has adopted and promoted several programs/schemes by which the college stands distinctive are academic; value added courses, social responsibilities.

A. Academics:

I. Research and extension activity- The institute continuously strives to inculcate research aptitude amongst the faculty and students. Student received RS.10,000/- research grant from Shivaji University under research sensitization scheme. The number of teachers submitting their proposals which include fellowships, grant for individual researcher, grant for organizing seminars, workshops or conferences which is appreciable and it is uniqueness of college. The quality and quantity of research work is published in indexed journals. More than 10 patents published which indicate committed research being carried out at our institute.

II. Faculty representation in universities/ professional bodies' authorities-

1. Faculty representation in universities: Staff members are recognized and nominated by Shivaji University for the various categories of the members of Local Inspection Committee, resource persons for curriculum design workshops, etc.

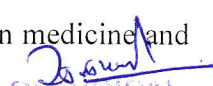

2. Faculty representation in professional bodies: Staff members hold positions like in Pharmacy Council of India, Association of Pharmaceutical Teachers of India, MSPC and any other pharma professional bodies.

B. Value added courses:

The institute had designed and executed value added courses.

I. Pathology work-

Aim- Pathology is a study of different diseases and creating a link between medicine and science.

PRINCIPAL
Ashokrao Mane College of Pharmacy
Peth-Vadgaon, Dist. Kolhapur.

Objective- Knowledge of mechanisms of disease including the etiology, local or systemic response to disease.

Learning outcome- Understanding the mechanisms of disease that lead to the signs and symptom that must be recognized in patients.

Programme outcome- Attainments of programme outcome was calculated by students.

II. Preparation of Herbarium-

Aim - Study of various plants and to contribute scientific.

Objective- Herbarium is used for identification of plant.

Learning outcome- The herbarium is used as a repository for the study of plants specimen

Programme outcome- Attainments of programme outcome was calculated by students.

III. Community pharmacy practice-

Aim- Allows the public access to their medications and the advice about their health.

Objectives: Community pharmacy is the most common type of the pharmacy that allows the public access to their medications and the advice about their health.

Learning outcome- To gain experience in various aspects of community pharmacy practice.

Programme outcome- Attainments of programme outcome was calculated by students.

IV. Rubicon personality and skill development-

Aim- This course aims to provide information about the significance about various skills in personality development.

Objective- Technology backed skill development intervention to fill the skills gap that exists in the entry level talent across various industries.

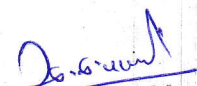

Learning outcome- Students identified their strength/weakness/opportunities/ threat.

Programme outcome- Attainments of programme outcome was calculated by students.

V. Covid-19 Awareness programme with clinical efficiency-

Aim- This study was aimed to assess the level of awareness and preparedness to fight against COVID-19 among the healthcare workers (HCWs).

Objective- The objective of this study is to assess the awareness of COVID-19 disease and its related infection control practices among healthcare.

PRINCIPAL
Ashokrao Mane College of Pharmacy
Peth-Vadgaon, Dist. Kolhapur.

Learning outcome- It provides a thorough understanding of the principles driving the design process of COVID-19. To spread awareness about the COVID-19 pandemic and how to prevent oneself and the community from being affected.

C. Social Responsibility:

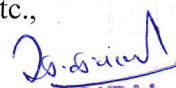

I. NSS Activity-

Institute has a vibrant NSS cell under Shivaji University Kolhapur. Under NSS cell various social activities are taken up like vaccination camp drive, cleanliness awareness drive, and environmental plantation, celebration of national and international days. Special NSS cell arrange the camp in selective village as a social activities.

II. Alumni-

Contribution of the Alumni:

- 1. Alumni talk webinar/seminar:** The alumni association helps in holding interactive sessions to motivate current students about employability and educational opportunities abroad. The sessions from alumni members are helpful to students with respect to enhancing their skills and also helpful for employability.
- 2. Industries connect:** Alumni help in establishing MOU's with industries. The alumni those who are entrepreneurs share industrial visits with the students and provide inputs on how to start a new venture to turn them into job providers. The Alumni extend their support for student internships.
- 3. Placements/ references:** The alumni network of a college is one of the biggest sources of placement opportunities for students. Alumni can help students in referring to companies and get placed at their respective companies.
- 4. Networking platform:** Assistance to faculty and students in their research by providing relevant gift drug samples required for the project.
- 5. Industry visit:** Alumni members also assist the college with industrial visits of current students with their references and also, and they physically engage during the tour to interact with students.
- 6. Donation:** Alumni association also gives profound gratitude towards the college by donating smart boards, books, free gift drug samples for research work, prizes to the GPAT qualifiers, financial assistance to school-level needy children's etc.,

Peth-Vadgaon, Dist. Kolhapur.

III. Facilitation Centre (FC)

A centre where facilities like filling online forms, verification of documents, confirmation of forms, confirm candidate's application form, cancel the confirmed form, edit application form before and after confirmation by candidate, and check the statues of candidates application process. Aim of FC to provide important services under one roof to the students. Students can get information about the application status, candidature type, home university, category, religion, region, mother tongue, physical handicap type, defence type, annual family income, HSC board, HSC passing year, minority status, orphan status, EWS etc.

NATIONAL SERVICE SCHEME (NSS) Special Camp Annual Report (2021-22)

Introduction:

National Service Scheme (NSS) is an Indian government sponsored program under the department of Youths Affairs and Sports of the Government of India. It was started in 1969 the birth anniversary of Mahatma Gandhi.

Motto:

The motto of the National Service Scheme (NSS) is "Not Me, But You". This expresses the essence of democratic living and upholds the need for selfless services and appreciation of another man's point of view also show consideration for fellow human beings. It underlines the welfare of an individual is ultimately dependent on the welfare of the society as a whole. A therefore it should be the aim of N.S.S to demonstrate this motto in its day-to-day activities.

Aim:

The main aim of National Service Scheme (NSS) is personality development through social services or community services. This Program is to inculcate the social welfare thoughts in the students and to provide service to the society without any prejudice. NSS volunteers work hard day and night to ensure that every one in our society who is needy gets the every possible help from them so that they can also affiliate their standards and lead a life of dignity in the society with all of us. In doing so the volunteers themselves learn a lot from the people in villages like how to struggle and how to lead a happy life in the extreme scarcity of resources and so on. Another aim is personality development through social service.

Objectives:

1. Understand the community in which students work.
2. Understand themselves in relation to their community.
3. Identify the needs and problems of the community and involve them in problem solving
4. Develop among them a sense of social and civic responsibility.
5. Utilize their knowledge in finding practical solution to individual and community problems
6. Develop corporate require for group living and sharing of responsibilities.
7. Gain skill in mobilizing community participation.
8. Acquire leadership qualities and democratic attitudes.
9. Develop capacity to meet emergencies and natural disasters
10. Practice national integration and social harmony.

Symbol:

The symbol for the NSS has been based on the gain Rath Wheel of the world famous Konark Sun temple (The Black Pagoda) situated in Orissa in India. The wheel portrays the cycle of creation, preservation and release and signifies the movement in life across time and space. The symbol thus stands for continuity as well as change and implies the continuous striving of NSS for social change.

Organization:

Most of Government and Government aided institutions both schools and colleges have NSS units composing volunteers. Even the private institutions are encouraged to have NSS volunteers. A unit may typically count from 20 to 40 students. They are managed internally by a responsibility from school or colleges who reports to the regional NSS coordinator. Most of the institutions do not incorporate a separate uniform for NSS though it can be.

Organization of various events:

- Adopting village
- Clean Village Movement (school, roads, grampanchayat, village area).
