4. Examination:

Examination system is handled through online portal of Shivaji University, Kolhapur and vmedulife Software. Registration of students, filling of examination forms, obtaining admit cards, uploading of marks, declaration of results, revaluation application etc. is done in online mode. Examination Cell of the institute monitors all internal and external examinations. The details of the e-Governance employed in the examination system are –

A) Internal Examination: All the internal examination related work is carried out through this vmedulife software such as question paper setting, sessional marks. Class tests, assignments are conducted or submitted through vmedulife portal. Every faculty as well as student has their login credentials. This helps to keep the data related to examination confidential and also saves the time.

B) External Examinations: Affiliating University conducts the external examination. The work related to this examination is carried out through the University provided online system. The internal and external marks are uploaded and submitted online in University portal. University upload the theory question paper online through ‘Secured Remote Paper Delivery (SRPD)’ system developed by the university, 02 hours before the start of examination. This question paper is downloaded by the internal senior supervisors through login credentials of college in very confidential manner and processes further.

C) Google Classroom: This tool is used for Students assignment, class test, MCQ test, Notice, Syllabus and Important notes circulation.

D) Google Spread Sheet: For data collection from the Various Departments.

E) Online examinations: During the COVID-19 pandemic, institute has conducted the online examinations through Vmedulife software, Google forms; and viva voce examination as well as thesis evaluation was conducted through zoom or google meet platforms etc.

E) Google Forms: To prepare Feedback forms and get online feedbacks of Students, Parents.
