**College:**  
Santkrupa College of Pharmacy, Ghogaon, is located Karad- Ratnagiri Highway at a distance of about 22 km Karad.

Santkrupa College of Pharmacy, Ghogaon, was established in 2004 with the start of B. Pharm course (D. Pharm (2006); followed by M. Pharm (2011). The college is recognized by Shivaji University, Kolhapur as a Research Centre too. The institution is affiliated to Shivaji University, Kolhapur. The UG and PG courses are recognized by Pharmacy Council of India; All India Council of Technical Education (AICTE) and Directorate of Technical Education (DTE), Maharashtra.

**Technology and Biopharmaceuticals: A Primer**  
With the combination of DNAs of two organisms technology began. This spurred interest in the field and research by Genetech lead to the release of Insulin in market in 1982. The global biologics market is growing rapidly and is expected to grow at a rate of 10.5% in 2023. Novartis and Bristol-Myers Squibb have already invested around 700 and 900 million dollars respectively in manufacturing.

Due to the prevalence of chronic diseases, loss of patent expiry, growing demand and higher acceptability for regenerative therapies are driving the growth. Popularity of biologics has especially increased for chronic diseases like Crohn's disease, Psoriasis and other auto-immune disorders and touched sales target of 18.5 billion dollars in 2022. Six of the top eight drugs were biological in that year. Novartis is projected to earn \$ 377 million in US and European markets in 2021-22. Other fields like oncology, rare diseases, infectious diseases, cell therapy, gene therapy also offer opportunities.

Indian biotech industry holds about 3 % share of the global biotech industry and is among the top 12 global biotech destinations. The Indian biotech industry, comprising of about 800 companies, was valued at US \$ 51 billion in 2018. It is expected to grow at 14.5% in future, recognizing the opportunity, Indian government is nurturing the growth of the industry through huge grants research and start ups. It is up to us to utilize the opportunity and get benefited. Here is an opportunity, come explore more.

**24th Girl Child Day**  
Think a world without...  
**SAVE Girl Child**

**Save the Girl Child**  
Shri Chhatrapati Shivaji Maharaj State University is one of the prominent universities in the state of Maharashtra. The Shivaji University was established in the year of 1967. At present the university is home for 43 constituent departments with a sprawling campus of 840 acres. The university is named after a Great Marathi ruler and founder of the Maratha Empire, Shri Chhatrapati Shivaji. On 18 November, 1967 a world award educationist, Dr. Sarvagalli Rajitakrishnan, Vice-Chancellor of the country inaugurated the university. In the beginning, the University started functioning 134 affiliated colleges and about 14000 students with 16 graduate Departments on its campus. Today, the number of affiliated colleges is 279 with 43 post-graduate centres on the campus and the students strength reached at above 2,50 lakh. The University imparts courses in four major faculties which comprise the sciences, Science & Technology, Commerce and Management and Interdisciplinary.

**at the Ashokrao Abhyas**  
Shivaji University also took initiative to run many social work programmes and extension activities which help in bringing impact on society. **Shri Manojkumar** is one of the girls to bring the gender equality. In 2003 Census she became of Kolhapur district was reported with the sex ratio as 940. Recent data shows that child sex ratio in the district has improved from 894 in 2013 to 908 in 2018. However, there is a long way to go as the national average child sex ratio is 940 as per 2011. Many steps are undertaken by government, government and academic institutions since from Shivaji University is also active in this case. So, this campaign was run in the Department of

**Child Health** levels of active initiation of HIV, Venereal Diseases and Unwanted Shreds who is very much sensitive towards the social issues, this campaign got underway with the participation. Now the campaign is run at various level through the Department of sociology.

**Location of City**  
Kolhapur City is situated on Mumbai-Bangalore Highway, 400 km away from Mumbai and 600 km away from Bangalore. Kolhapur City is well-connected with road and rail services.

**Who should attend the Conference?**  
Academics, Researchers, Professionals, Practitioners, Policy Makers, Consultants and Students

**Language of the Conference**  
English

**Objective of the Conference**  
At every step of a girl child's journey, she is challenged and hindered from progressing forward. Even before she is born, the girl child comes face to face with a challenge that she cannot fight her parents' decision to abort her. She is via illegal sex-selective abortion. As she grows up through life, she faces rejection, discrimination and fear if she expresses ambition. Even before they turn 10, girls face difficult challenges like forced marriage, child labour and female genital mutilation. The majority of students who drop-out of school before completing primary education (UNESCO 2012 data) are girl children. To address this, it is important to acknowledge these challenges in detail. This will enable society to identify measures to make the girl children of today, into tomorrow's successful and healthy women.

The government has also meant schemes to ensure their security and well-being. These address female foeticide and female education (under 'Jodi, Saath, Ladki and Kishin Shakti Yojana Schemes), maternal health (under the 'Ambedkar Yojana'), and medical care (Ayushman Bharat), among others. To empower the girl child, India as well as Maharashtra will need to change the mindsets of policymakers, family members, teachers, and others.

On against this backdrop, the proposed seminar intends to know the various issues related to GME in Maharashtra. It will also focus on the policies and programmes of the government to improve status of girl child.

**Sub-Themes:**

1. Girl Child and Abuse
2. Girl Child and Education
3. Girl Child and Health
4. Child Labour
5. Female Foeticide: Causes and Impact
6. Betelchachao and Beti Padan (Bhilyans/Maharashtra)
7. Any other issues related to the theme

**Instructions for Submitting Abstracts**  
On the behalf of organizing committee, we request you to contribute your paper in any of the themes and participate in the seminar.

1. Only one abstract should be submitted by one participant.
2. The abstract should include introduction, Methodology, Conclusion, including title, author(s), introduction, if any acknowledgement with maximum 500 words. Type the title in upper case letters, names of the authors and their address.

Dear Dr. Arvindkar Aditya U

I am pleased to inform you that your research abstract entitled "In silico exploration and biological validation of leads targeting  $\alpha$ -glucosidase inhibition in Type-II Diabetes mellitus" has been accepted for poster presentation in the International Conference on Advances in Chemical Sciences 2018 (IC-ACS 2018) to be held on February 1-3, 2018 at Department of Chemistry, Shivaji University, Kolhapur 416004.

You are requested to make online registration and pay the registration fees using following link available on Shivaji University website on or before January 25, 2018 (Please note: If the abstract contains multiple authors and if all of them are participating then each of them should make registration separately):

<http://www.unishivaji.ac.in:8080/pages/International-Conference-on-Advances-in-Chemical-Sciences>

Please consider the following points:

1. You have to generate User name and password just by putting a unique name and password (Please remember password carefully as there is no facility to regenerate password if it is forgotten).
2. You can access online registration form after logging in with user name and password.
3. Please fill the form carefully and try to provide maximum information in the form.
4. You have to upload your photo (jpg, jpeg, bmp format with size less than 20 kb) in registration form.
5. You can skip CRE (Certificate regarding exemption) during registration.

Due to some technical reasons, if you are unable to pay the registration fees, then you can pay the registration fee through demand draft in favor of 'Finance and Account Officer', Shivaji University, Kolhapur, payable at Kolhapur. However, we encourage you to pay the fee online. Please send the DD by registered post to Prof. Anil Vitthal Ghule, Convener-IC-ACS 2018, Department of Chemistry, Shivaji University Kolhapur-416004 (Maharashtra).

Note:

1. Details about the scientific program will be communicated to your e-mail by January 25, 2018.
2. Please confirm your participation by paying registration fees on or before January 10, 2018.
