<b>Description</b>	<p>On the occasion of Harit Maharashtra, Samrudh Maharashtra under the Trees Plantation at our Ashokrao Mane College of Pharmacy, Peth-vadgaon. As part of the National Service Scheme (NSS), our college organized a Tree Plantation Drive. The activity was conducted under the theme "Harit Maharashtra, Samrudh Maharashtra."</p> <p>The event took place on within the college campus. NSS volunteers, teachers, and staff participated enthusiastically. A total of 112 saplings were planted during the drive. Plants included neem, peepal, gulmohar, and other native species. The goal was to promote a cleaner, greener, and healthier environment. The drive aimed to raise awareness about the importance of trees. Trees help in controlling pollution and maintaining ecological balance. Volunteers took an oath to protect and nurture the saplings. An expert talk on environmental conservation was also organized. The students learned about the role of youth in protecting nature. The program encouraged long-term commitment to sustainability. Plantation areas were marked and assigned to volunteer groups. Regular watering and care of plants were planned post-event. This initiative supports the government's green mission for Maharashtra. It also in stills social and environmental responsibility in students. The activity was well-organized and impactful.</p>
