| Description          | Wednesday on 10/07/2024 Ek Ped Ma Ke Naam was implemented. The "Tree Plantation" activity, celebrated under the NSS (National Service Scheme), focuses on planting and nurturing trees to promote environmental sustainability. It emphasizes the importance of trees in maintaining ecological balance, improving air quality, and combating climate change. Through this activity, NSS volunteers actively contribute to greening the environment and spreading awareness about the need to protect natural resources. By planting trees, they not only help in creating a healthier planet but also inspire others to take responsibility for preserving nature. Principal of the college Dr. A. P.
