Description	On Tuesday, April 22, 2025, a program titled "Guideline to Follow Traffic Rules and Stay Aware" was organized under the National Service Scheme at Ashokrao Mane College of Pharmacy, Peth-Vadgaon. Every year, more than 1.5 lakh people die due to road accidents in India, and more than 4.5 lakh people are injured. About 72% of the deaths in road accidents occur in the age group of 15 to 44 years. The main reason behind these accidents is non-compliance with traffic and road safety rules or the lack of knowledge about them. Trafficquiz.com (https://trafficquiz.com) is a free-to-use website developed with the aim of spreading awareness about traffic rules and road safety among people of all ages. Through trafficquiz.com, college students can learn about traffic and road safety rules in an interesting way and test their knowledge by playing quizzes. Teachers and staff can also use trafficquiz.com to refresh their knowledge of traffic and road safety rules. College traffic staff were also guided to follow traffic rules regularly and stay aware. A total of 162 students participated in this event. The chief guests on this occasion were Principal Dr. A. P. Gadad, Academic Co-ordinator Dr. S. A. Bandgar, National Service Scheme Officer Mr. Pavan Chavan, all teaching-non-teaching staff, National Service Scheme volunteers, students of Ashokrao Mane College of Pharmacy, Peth Vadgaon.
