#### Report

Ashokrao Mane College of Pharmacy, Peth-Vadgaon, Kolhapur (M.S) organized one day seminar on "Importance of Pharmacovigilance (PV): Its Scope and further opportunities"

The event commenced with the welcome of Chief Guest Dr. N. S. Naikwade, Prof and Head of Pharmacology Dept., Appasaheb Birmale college of Pharmacy, Sangli and the Resource Persons Mr. Milind Bobate, Mr. Ajit Katre, Mr. Brijesh Yadav and Mr. Atul Thite from Cognizant Technology Solutions, Mumbai - an imminent Information Technology and PV specializing organization.

The function was inaugurated with Lamp Lighting ceremony followed by felicitation of the chief guest and resource persons by the principal Dr. S. S. Patil. In his inaugural address, he emphasized the need and scope of PV in the health care system for the rational use of drugs culminating in minimizing ADR and how conjoining PV with Information Technology has changed the scenario.

The chief guest Dr. N. S. Naikwade highlighted the role of PV in health care and stressed that PV legislation gives an outlook of laws and rules to follow the PV practice in order to maintain the safety data, detection and evaluation of drug safety through adequate reporting.

Among the speakers Mr. Milind Bobate, Team Manager, CTS Mumbai introduced PV and why this department came into existence and informed about Individual Case Safety report (ICSR) and ADR reporting alongwith future prospects of PV.

Mr. Atul Thite pinpointed the ICSR processing and its detailed scope. Mr. Ajit Katre briefed the audience about types of ADR and voice support and finally Mr. Brijesh Yadav addressed the delegates about introduction to Interview skills and preparation of documents regarding PV. Around 500 delegates and Faculties from various Pharma Institutions were enlightened by the seminar. The event concluded with vote of thanks by event co-ordinator Prof. Miss S. V. Sutar.
