Pharmaceutical Validation (MQA 202T)**

(M.PHARM SEM-II; MQA 202T)

Friday, 30th August 2019

Abstract: 3

Speaker: Dr. N. M. Bhatia

Professor & HOD

Department of Quality Assurance,

Bharati Vidyapeeth College of Pharmacy, Kolhapur.

Topic: Analytical method validation

This presentation focused on the teaching learning process in the Pharmaceutical Validation. Speaker highlighted on the topic in the new syllabus of Pharmaceutical Validation i.e. process validation and analytical method validation. This presentation intended to impart the fundamental knowledge on various aspects such as types of process validation, different characteristics. Also provide the information as how analytical method development and validation the continuous and inter-dependent task associated with the research and development, quality control and quality assurance departments. It helps in establishment of product-specific acceptance criteria and stability of results. Validation should demonstrate that the analytical procedure is suitable for its intended purpose.
