Activity Details

Event Title	4 Days Workshop on "Teaching with Technology"
Organized By	Department of Pharmaceutical Chemistry
Date of Organization	September 20 to September 23, 2022.
Funding Agency	Self-funded
Collaboration/ MoU	NA
Description	<p>"Our dynamic 'Teaching with Technology' workshop was a transformative learning experience designed for educators of all levels. In today's digital era, harnessing the power of technology was essential in delivering engaging and effective education. The workshop explored a comprehensive range of cutting-edge topics, including mastering effective PowerPoint presentations, crafting compelling educational videos, establishing course websites and blogs, embracing the flipped classroom approach, and creating interactive quizzes with various ICT tools. Renowned experts in the field led participants through hands-on experiences via interactive workshops, group discussions, and collaborative activities. By the end of the four-day workshop, attendees had acquired the skills and knowledge to revolutionize their teaching methods. Additionally, participants received a certificate of completion to validate their participation and newfound expertise.</p> <p><b>Venue:</b> Shri.
