Event Title	Librarian's Day		
Organized By	Ashokrao Mane College of Pharmacy, Peth Vadgaon.		
Date of Organization	Tuesday, 12/08/2025		
Description	<p>On August 12, 2025, our institution celebrated National Librarian's Day, the birth anniversary of Dr. S. R. Ranganathan (Born: 12 August 1892). Dr. Ranganathan was a visionary librarian, educator, and mathematician who revolutionized library science in India. He introduced the Five Laws of Library Science, and his contributions laid the foundation for the modern library system and professional library education in the country. This day highlights the invaluable role of librarians in managing information resources, supporting learning, and promoting research. As part of the celebration, various activities were organized, including a Principal's speech, Librarian's speech, Book Exhibition, Best Library User Award, and Book Reading sessions by staff and students. We express our sincere gratitude to the management for their motivation, encouragement, and support. A special thanks to our respected Principal Dr. A. P. Gadad for his continuous guidance, as well as to Academic Incharge S. A. Bandgar, all faculty members, and students for their active participation.</p>
