Academic Year: 2024-25	
Event/Activity Details	
Event Title	One Day Workshop on "Basics of Experimental Design and Statistical Optimization"
Organized By	Department of Pharmaceutics
Date Of Organization	15/02/2025
Description	The One-Day Workshop on Basics of Experimental Designs and Statistical Optimization was organized by Department of Pharmaceutics, Ashokrao Mane College of Pharmacy, Peth Vadgaon, providing valuable insights into research methodologies and software applications. The workshop featured two expert-led sessions, with Dr. R. J. Dias delivering the first session and Mr. K. M. Thorawade leading the second. Both speakers extensively covered the Design Expert software, emphasizing its significance in research for experimental design and statistical optimization. The sessions included theoretical discussions and practical demonstrations, enabling participants to understand the software's applications in optimizing formulations and processes. The workshop saw active participation from over 95 attendees, including faculty members, researchers, and students, making it an informative and interactive learning experience aimed at enhancing research proficiency.
