Activity Details

Event Title	Seminar on 'Manuscript Writing Simplified: Key Insights for Researchers'
Organized By	Research and Development Cell and Department of pharmaceutical Chemistry
Date of Organization	21/02/2025
Funding Agency	Self-funded
Collaboration/ MoU	NA
Description	Organized by: Research and Development Cell in Collaboration with the Department of Pharmaceutical Chemistry Date: 21st February 2025 Time: 11:30 AM Resource Person: Dr. Sameer J. Nadaf The Research and Development Cell, in collaboration with the Department of Pharmaceutical Chemistry, organized an insightful seminar titled '<i>Manuscript Writing Simplified: Key Insights for Researchers</i>' on 21st February 2025. The seminar was aimed at equipping M. Pharmacy students and faculty members with essential skills and strategies for effective manuscript writing in scientific research. The session commenced with a welcome address by Dr.S.B.Sutar highlighting the importance of manuscript writing in academic and professional research. Dr. Sameer J. Nadaf, the esteemed resource person for the seminar, was introduced, emphasizing his expertise in scientific writing and research publication. Dr. Nadaf delivered a comprehensive lecture on the key aspects of manuscript writing, including structuring a research paper, selecting an appropriate journal, ethical considerations in publication, and common pitfalls to avoid. He provided practical tips on improving clarity, coherence, and impact in research writing. Additionally, he emphasized the significance of plagiarism-free content and the use of appropriate referencing styles. An interactive Q&A session followed, where students and faculty members actively participated, seeking guidance on various aspects of scientific writing. Dr. Nadaf addressed their queries with valuable insights, making the session highly informative and engaging. Second Session: Hands-on Training on Addressing Plagiarism and Identification of Journal for Research Paper Publication The second session was conducted by Dr. B. V. Udugade, Professor & Principal, Ashokrao Mane Institute of Pharmacy, Ambap, Maharashtra. This hands-on training focused on practical approaches to addressing plagiarism in research writing and selecting suitable journals for publication. Dr. Udugade provided in-depth knowledge on plagiarism detection tools, best practices to avoid unintentional plagiarism, and ethical considerations in publishing. He also

	guided the participants on factors to consider while identifying reputable journals, including impact factor, indexing, and scope. The interactive session allowed participants to practice using plagiarism detection software and explore journal selection criteria. The seminar concluded with a vote of thanks expressing gratitude to both resource persons for their valuable time and expertise. The participants acknowledged the sessions as highly beneficial, enhancing their understanding of manuscript preparation, plagiarism prevention, and journal selection. The event was a great success, fostering a deeper appreciation for academic writing among attendees and reinforcing the importance of quality research communication.
