Event Title	" Hands-on Training Program in Handling and Care of Laboratory Animals for PG Students "
Organized by	Department of Pharmacology Ashokrao Mane College of Pharmacy, Peth-vadgaon Dist: Kolhapur,
Date	Tuesday, 29th April 2025
Description	The Department of Pharmacology at Ashokrao Mane College of Pharmacy successfully organized a one-day Hands-on Training Program in Handling and Care of Laboratory Animals for postgraduate students on 29th April 2025. The objective of the workshop was to develop practical skills and foster ethical awareness in laboratory animal handling, essential for biomedical and pharmaceutical research. The program commenced with the Inaugural session, which included photo puja and a welcome address by Principal Dr. A. P. Gadad. The introduction of the guest speaker was delivered by Dr. V. R. Dhole. The event was graced by Academic Coordinator Dr. S. A. Bandgar, along with the active presence of faculty members. In the technical and demonstration session, Dr. Ravindra P. Kulkarni delivered an insightful presentation on CCSEA guidelines, and the legal and ethical aspects of laboratory animal handling. This was followed by a session on animal house maintenance and record keeping, with emphasis on regulatory compliance and best practices. After the lunch break, Dr. V. R. Dhole conducted a hands-on training session demonstrating techniques for handling rats and mice. In the final session, Dr. Ravindra P. Kulkarni provided practical training on dosing, restraint, and blood withdrawal methods in small laboratory animals. The workshop concluded with enthusiastic participation from students, engaging practical demonstrations, and expert guidance. The event was smoothly conducted with anchoring by Ms. S. B. Patil, stage management by Mr. P. S. Kumbhar, and a vote of thanks by Dr. S. C. Burli. Special thanks to Principal Dr. A. P. Gadad for his continuous guidance and motivation, and to all the teaching and non-teaching staff for their dedicated efforts, which contributed immensely to the successful execution of the workshop.
