Event Title	Pharmaceutical Chemistry Department's Study Tour
Organized By	Ashokrao Mane College of Pharmacy, Peth-Vadgaon
Date Of Organization	15/10/2025
Funding Agency	Self funded
Collaboration/MOU	Biocyte Lab, Sangli
Description	A Study visit to Biocyte Laboratory, Sangli was organized for the students of Ashokrao Mane College of Pharmacy, Peth Vadgaon on Wednesday 15th October 2025. A total of 43 participants, including students and faculty members, actively took part in this educational visit. The purpose of the visit was to provide students with practical exposure to the working environment of a diagnostic and research laboratory and to enhance their understanding of various biochemical, microbiological, and molecular diagnostic techniques. The visit commenced with a warm welcome by the laboratory staff, followed by an informative session on the organization, structure, and functions of different laboratory departments such as clinical biochemistry, hematology, microbiology, and molecular biology. Experts from Biocyte Laboratory explained various instrumentation techniques, testing procedures, and quality assurance practices. Students had the opportunity to observe automated analyzers, ELISA procedures, and sample processing units, which provided them with valuable insights into real-time laboratory operations. The resource persons also emphasized the importance of biosafety, precision, and ethical standards in laboratory practices. The visit was highly enriching and provided students with a clear understanding of how theoretical concepts are applied in practical diagnostic work. It helped them connect classroom learning with real-life laboratory applications.
